Dear Mr. Morisy:

This is an interim response to your request for US Army Criminal Investigation Command records pertaining to, "copies of closing memos and reports of investigations for all Qui Tam investigations originated by this branch and closed between January 1, 2010 to present." Your request was received on April 8, 2013. Your request has been assigned the case number indicated above.

It is our policy that each request receives prompt attention, and every effort is made to treat all requesters equally. This office receives hundreds of FOIA requests annually on behalf of the U.S. Army Criminal Investigation Command. DOD FOIA Regulation 5400.7-R at C1.5.4.2 and C1.5.4.3 acknowledges the reality of the situation of large volumes of requests and establishes a queuing concept, based on general fairness to the public at large. Consequently, the only fair way to address all of these requests is to work them on a first-in, first-out, easy to hard basis (whether the case is easy or difficult to complete). The actual processing time could take approximately 30 to 90 days depending upon its complexity, whether it involves sensitive records, voluminous records, extensive searches, consultation with other agencies and our administrative workload. We hope that you can bear with us and understand our problem with volumes of requests. We do regret this delay and any inconvenience it may bring you. We will act on the request as soon as possible and respond directly to you.

Any questions regarding this response should be provided in writing to the Director, U.S. Army Crime Records Center, Attention: FOIA/PA Division, 27130 Telegraph Road, Quantico, Virginia 22134 or you can call 1-571-305-4254. Please reference the above case number with your correspondence.

Sincerely,

*M. Kardulis for*

Susan Cugler  
Director, Crime Records Center
